3. [REDACTED] LIAISON Called Beverley Lumpkin, on the staff of the Subcommittee on International Organizations, House International Relations Committee, to discuss the requests delivered earlier that day by staffers Larry Sulc and Gordon Freedman. I told Lumpkin that I would discuss the requests for additional interviews with her when she visited Headquarters on 7 July. I also told Lumpkin that it would be preferable for her to rephrase her questions relating to information in the recent Senate Select Committee on Intelligence report on [REDACTED] activities in the U.S. so as not to ask specifically if the CIA was the source of particular information or conclusions contained in that report. Lumpkin agreed to do so. Lumpkin, Sulc, and Freedman will visit Headquarters to review file traces and discuss interviews on 7 July.

4. [REDACTED] LIAISON Called Stephanie Panes, on the staff of Representative Lester L. Wolff (D., N.Y.), and advised her that we were providing the House International Relations Committee with a copy of the Agency publication entitled "International Terrorism: The Problems of Patron State Support." There is a portion of the report dealing with Libya and I suggested to her that the Congressman might wish to drop by and obtain the report from John J. Brady, Jr., Chief of Staff, House International Relations Committee, to read.
